Best Video Software for the Mac Short answer no Once the company (HP) stop supporting hardware, usually when the Operating System (XP) stops being supported all the resources (drivers) are normally eliminated.. But really any of this is a total waste of time, as the hardware will just stop working due to the lengthy time it has been used (hardware for computers are only usable for 5 years before they 'normally' just die from use).. Aug 9, 2018 - PQSCADA Sapphire is a free COMTRADE viewer that calculates more Sapphire is a multi component, vendor free, power quality software.
